

SUPPLIER EXCELLENCE AWARD

This is awarded to

Military & Aviation Spares Pty Ltd

In recognition of their rapid support to Boeing Defence Australia's In Service Support Contract Supply Support team for an urgent customer task.

The ISSC Supply Support team engaged Military and Aviation Spares to co-ordinate the procurement, manufacturing and logistics for an urgent 2SQN task received by Boeing Defence Australia, requiring equipment and hardware to be supplied and fitted within two weeks to support aircraft testing and operations. Military and Aviation Spares performed above and beyond expectations, responding to changing engineering requirements to support this urgent task whilst continuing to provide support for other routine demands. With the outstanding support and service from the Military and Aviation Spares team, the spares were delivered within the short timeframe to meet the aircraft testing and subsequent operations.

Congratulations to Military & Aviation Spares Pty Ltd for going above and beyond for Boeing Defence Australia
